**Hotels:**

We recommend the following hotels in Miraflores. The first two hotels have been used in the past by other LAHC delegates that are all within 15-25 minutes of the conference venue. All three hotels are offering special rates to delegates going to the conference, therefore, upon booking you would need to cite the conference. Schools need to arrange hotel accommodation directly:

Hotel Casa Antigua has 9 rooms available (from a possible 60 rooms) over that August week and delegates can have 20% off the published price. This would mean that prices range from \$64-\$124 per night (these prices include 20% discount). Visit: [www.peru-hotels-inns.com](http://www.peru-hotels-inns.com).

Thunderbird Hotels have 4 separate hotels in Miraflores and prices range from \$89 - \$239. The website is: [www.thunderbirdhotels.com](http://www.thunderbirdhotels.com) and see the attachment for details.

Ariosto Hotel is another option and prices range from \$75 - \$170. The website is: [www.hotelariosto.com.pe](http://www.hotelariosto.com.pe).

Thank you for your participation and I look forward to seeing you at the conference.
